

The image shows a 60x80 grid of symbols, likely representing a binary matrix or a specific type of data visualization. The symbols are small and varied, including dots, crosses, diamonds, and other geometric shapes. The grid is organized into rows and columns, with labels at the top and left edges. Row labels are positioned on the far left, and column labels are at the top. A prominent watermark with the URL 'www.xkcd.com' is centered in the grid.
